***PLEASE NOTE:**

While we implement procedures to minimize cross-contact between Champs Chicken items, please be aware that we utilize the same shortening to fry products that contain the following major allergens as defined by the FDA: eggs, fish, dairy, shellfish, soy, tree nuts, and wheat. Menu items containing a combination of product offerings or multiple flavor options show all potential allergens. Please check individual products for item specific allergen information.

All data is based upon standard portion sizing and cooking methods. Actual reported values have been calculated using the Genesis R&D Food software and assume average portions as outlined in product specifications. Because of allowed variances in products and actual minor variations in product preparation at each location, portion sizes and subsequent nutritional information may vary slightly.
