*PLEASE NOTE:

While we implement procedures to minimize cross-contact between Chicken items, please be aware that we utilize the same equipment to fry products that contain the following major allergens as defined by the FDA: eggs, fish, dairy, shellfish, soy, tree nuts, and wheat. Menu items containing a combination of product offerings or multiple flavor options may also contain allergens. Please check individual products for their specific allergen information.

All data is based upon standard portion sizes and cooking methods. Actual reported values have been calculated using the Senselco R&D food software and assume average portions as outlined in product specifications. Because of allowed variances in products and actual recipe variations in product preparation at each location, portion sizes and subsequent nutritional information may vary slightly.
